The Navahoe Sailing To-Day on One of Her Special Missions.

LONDON, Sept. 12.-The yacht race for he Brenton's Reef Cup started to-day The Navahoe and Britannia started out from Cowes at 9.30 this morning in tow for the starting point, the Needles, on the western extremity of the Isle of Wight.

The course extends from the Needles to and around the breakwater at Cherbourg. France, and return, a distance of about one hunderd and twenty miles.

The starting gun was fired at 11.15 A. M. A very strong wind was coming out of the east. The yachts were timed as follows at the Needles Lighthouse: Britannia, 12.30; Navahoe, 12.46.

Judging from the rate at which the racers were then sailing they will probably reach the Cherbourg breakwater at about 5 o'clock this evening.

This cup is an American trophy and was captured by Sir Richard Sutton, owner of the English cutter Genesta, in 1885, after his failure to capture the America's Cup, then defended by the Puritan America's Cup, then described a puritan.

The Genesta also took the Cape May Cup, and the cups have remained in undisputed possession of the English Royal Pheips Carroll determined to make this year an effort to take the cups back to America, hence the visit abroad of the Navahoe.

Charles Heber Clark, Secretary of the Manufacturers' Club, of Philadelphia, on Club, stated that there were strong reableal of the Board of Directors of the sons why no radical changes in the tariff taw should be attempted at present.

Replying to a question by Mr. Turner, he said that it would be benefit for the people and the country if the vacant ands between here and Florida were used for wool raising.

Mr. Turner asked why some of the millionaires did not come South and enter the business.

Mr. Clark replied that if a good stiff tariff were given them for twenty years they would overrun the South and West with indistries.

S. N. D. North, of Boston, Secretary of the National Association of Wool Manufacturers, presented resolutions adopted by the Association objecting to any revision of the tariff and protesting against the passage of the bill already introduced placing wool on the free list.
